DAVID BASHAM MP MEMBER FOR FINNISS

My family involvement with the Port Elliot Show dates back to the 1800s where our dairy cows would be on show. My Grandfather, Bunny Basham, spent years dedicated to the Port Elliot Show & The Royal Agricultural & Horticultural Society. He was proud to have a shed named in his honour.

In recent years, I've enjoyed having a stand at the show, talking to visitors. I look forward to catching up with everyone at this year's show, particularly after having to see last year's cancelled.

Congratulations to the committee for their dedication & hours spent organising this year's show.

It is a special weekend for our community.

SOUTHERN AGRICULTURAL SOCIETY INC. LEGENDS

Over the past couple of years, the Southern Agricultural Society Inc. has sadly lost several outstanding members.

We pay tribute to three of these members who worked tirelessly to maintain the standard of excellence within our organisation.

Neville Anderson, Colin Ekers and Des Dent - all incredibly hard-working volunteers - gave so much back, not just to our community, but to the entire region and each of them played an enormous role in the ongoing success of our annual Port Elliot Show over many, many years.

Colin Ekers, was a past Vice President, and Member of the Management Committee of the Southern Agricultural Society Inc. for many years.

Also, as past President of the Southern Fleurieu Historical Museum, he was inspirational in

setting up the Dairy Section at the Museum, which is housed at Port Elliot Show Grounds.

He was very much involved in the local dairy industry and in particular the area of Holstein cattle.

His legend will live on for many years through his enthusiastic volunteer work at both the Port Elliot Show and the Southern Fleurieu Historical Museum.

Sadly, Colin passed away in May 2020.

Neville Anderson, also a Life Member of the Southern Agricultural Society Inc. passed away in February 2020.

Neville was involved in the photography section of the Port Elliot Show for many years and was one of several members who worked extremely hard to bring the photography section to the very high standard at which it remains today.

Colin Ekers

Des Dent

Neville Anderson

He received Life Membership for his outstanding contribution to the Port Elliot Show.

Des Dent, a long-term volunteer at the Southern Fleurieu Historical Museum, was committed to preserving the history of the farming industry and in particular the dairy industry in this region.

Des was loved by all and spent many years volunteering at the Museum and because of his energetic efforts, residents and visitors alike to this region can enjoy the continuing benefits of the knowledge, information and history of the local dairy and farming industries.

Des Dent passed away in January 2021.

THE 2021 RURAL AND YOUNG RURAL AMBASSADOR AWARDS

Highlighting Youth in the Agricultural Show Movement

Rural Ambassador 2019 Young Rural Ambassador, Bridget Johansen, helped present the award to this year's Rural Ambassador, Oscar Walters, from Uraidla Show.

- Are you young and enthusiastic about rural life?
- Do you enjoy travelling and meeting new people?
- Are you involved in your local community?

The Rural Ambassador award aims to highlight the importance of youth in rural South Australia and in particular the agricultural show movement.

The award provides a great opportunity to give young people a forum to express their views through education and experience and develop closer links with the primary industries in South Australia.

If you would like to become involved in the Agricultural Societies Council of SA's Rural Ambassador or Young Rural Ambassador Award, please contact the Port Elliot Show secretary Gayle Garrett for further details. Mobile: 0419 494 275 or Email: secretary@portelliotsow.com.au
