## President's Message

Welcome one and all to our 146<sup>th</sup> annual Port Elliot Show. Our award-winning two-day show continues to be an amazing success, due to the support and tireless efforts of many individuals and organisations. Our thanks to our wonderful management committee, admin staff, patrons, sponsors, entertainers and trade stall operators to name but a few.

Special mention to our army of conveners, judges, gatekeepers, cleaners and dedicated volunteers without whom, we would not enjoy such a brilliant event. Also, a huge thank you to all the talented exhibitors who create cherished treasures for entry in the show competitions for judging and to everyone who comes along to continue the magnificent legacy of our Port Elliot Show.

Join with the like-minded locals to show case your hobbies and talents. Embrace the show experience by baking a cake, make some scones, enter your artwork, pottery, scarecrow, Lego, pot plants, flowers and the list goes on.

Bring your families along to soak up the atmosphere of displays and exhibits, ring events and animals and of course the show bags, the yummy food stalls and the side show rides. Come and enjoy.

Neville Hall,  
President Port Elliot Show

# Entertainment

## A weekend of fun for the whole family

The 2026 Port Elliot Show once again promises to be a full program of family entertainment with many "old favourites" plus some new and exciting entertainment.

At the time of going to press, bookings were still being finalised for a range of great music acts including locals and invited guest performers from further afield. See updates on our website [portelliotshow.com.au](http://portelliotshow.com.au) closer to the event. Bands, Musicians, Choirs, Magicians, Children's shows and activities, and so much more are expected to be part of the program.

As well the Main Marquee, there is a wonderful area next to the Port Elliot Museum in the northern end of the showgrounds (near the poultry, cattle and sheep pavilion) with many interactive opportunities with performers and animals and roaming street acts throughout both days. The Amazing Drumming Monkeys are set of return and are always a favourite for the young, and the young at heart.

The main drawcard on Sunday is the Horses in Action on the main oval. The viewing areas are up close and the sight of world class horses and their handlers in close quarters is truly very special.

And no show would be complete without the show bag stand in the Rogers Pavillion and the show rides and side show alley activities.

The Amazing Drumming Monkeys will be returning again to perform at the 2026 Show.

Rides and games of all sorts will be a feature of sideshow alley - fun for young and old!

## Port Elliot Museum Update

The Port Elliot Museum, also known as the Southern Fleurieu Historical Museum, has been reorganised to provide better access for visitors, including those with disability.

The Museum is located in the Port Elliot Showgrounds and can be accessed from the entrance gate on the corner of Water Lane and Wright Street.

The dedicated volunteers continue to restore items from years gone by. The latest project is a Horse Drawn Dray which the Brown family of Back Valley donated last year.

This dray and six horses were used to transport the Brown Family to Back Valley in 1934. Moving the dray to Port Elliot was accomplished with some difficulty. Temporary light truck wheels had to be fitted to the axles and a Tilt Truck employed.

The Museum has also been bequeathed approximately 40 period costumes from the Estate of the late Anne Basham. The Museum does not have the capacity to store and display all of them and so are looking for interested persons who may be able to assist us with the display of some of the items.

The Museum aims to open on Thursdays and Sundays but needs more volunteers to accomplish this.

Entry is \$7.00 for Adults \$2.00 for children under 16, under 5 years are free and family tickets are \$15.00.

Over the Show weekend the Museum will be open from 9am till 4pm and the Museum would appreciate a gold coin donation from visitors. The collection cans are located at the front and rear doors and at various places around the Museum.

**Enquiries, or offers of assistance to volunteer, please contact the secretary on [secretaryportelliotmuseum@gmail.com](mailto:secretaryportelliotmuseum@gmail.com) or phone 0427 624 431.**

**For more details visit the website [portelliotmuseum.org.au](http://portelliotmuseum.org.au).**

# Dream a little bigger

**Embark on a learning journey like no other with Reception 2027 at Investigator College.**

Guided by our culture of respectful behaviour, a bespoke wellbeing program, and fun family events, our students step out with confidence. With intentionally small class sizes, each with their own classroom, they stay deeply engaged from day one.

State-of-the-art facilities — from the new Aurora Building to our Currency Creek EcoCentre — are theirs to explore, unlocking unique learning experiences in robotics, enterprise, environmental science, and agriculture.

With strong academic and social foundations, the only question is just how far they'll go.
